Sparkle Eyes

Sparkle Eyes Eyeshadow is an all natural loose mineral powder that is used primarily on the eyes. Sparkle Eyes adds shimmer, sparkle, glitz and pizzazz to any look.

Shadow for Eyes

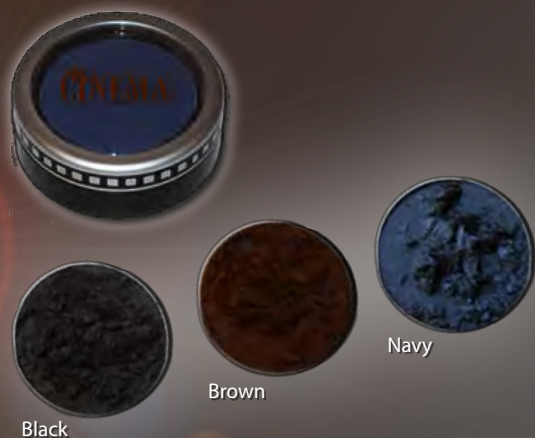

All shadows are velvety smooth and made with extra pigment to last from morning to midnight. At least THREE different shades of eyeshadow should be worn at all times, one as a highlight shade, one as a contour shade and one as a color for the lid.

Cake Liner

This highly pigmented formulation is rich in color with outstanding staying power. Transforms eyes from ordinary to extraordinary with the stroke of a brush!

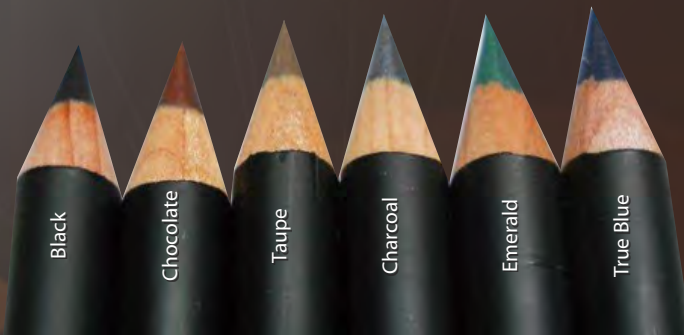

GlamorEyes Mascara

Glamoreyes Mascara is a water-resistant formula and adds new dimension to your eyes. It thickens, lengthens, adds fullness and separates lashes. It is smudge-proof and flake-proof. Available in FULL LASH and LONG LASH formulas.

Drawing the Line Eye Liner Pencils

Color glides on for fine lining, shading and defining the eyes. To emphasize the eyes, line the top of the eye lid, the inner upper as well as the lower rims of the eye area. Also use as an eyebrow pencil to frame the eye area.

Watercolors Line & Design

A color-intensive, product universally used primarily as a make-up for designing face and body. Watercolors are excellent for eye color and lining and are extensively smudge-proof. Watercolors can be easily removed with soap and water. Application is effortless, using only a slightly moistened brush or sponge.

Raising Eyebrows

This clear fixative helps to hold eyebrows in place and will seal in color.

Lipstick

Lips for Love Scenes

Our exclusive formula has a high concentration of pigment (color), making each and every shade pure color. In addition, the lipsticks contain high quality emollients such as Grape Seed, Jojoba, and Avocado oils as well as Shea Butter and Aloe Vera. These ingredients condition, soften and moisturize the lips which helps to prevent dry, chapped lips.

Lip Liner Pencils

Enhance lip shape and prevent feathering.

Love Struck Lip Gloss

Lips come alive with this super shiny moisturizing gloss.

Keep Blushing

Our triple - milled powder consists of double doses of pigment, adds color, highlight and contour to cheeks. To dramatize facial structure, contour the cheekbone, You can contour also with a cheek blush that is ONE SHADE DEEPER than your cheek blush shade.

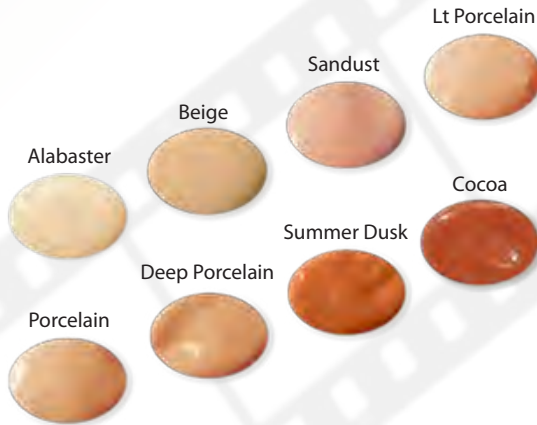

Sparkle Blush

Brighten your face with a color you love and add sparkle at the same time. Natural minerals glide on your cheeks to create a bright, fresh look.

On First Base

Our sheer, matte liquid makeup foundation is a smooth, beautiful lightweight foundation and leaves skin with a clean natural barely there finish.

Curtain Call Foundation

Curtain Call Foundation is an oil-free and fragrance-free creme makeup which provides satin-smooth, buildable coverage that is excellent and superb for all skin types. The formula is enhanced with potent antioxidants such as Vitamin E, Pomegranate and Aloe Vera that helps to soothe the skin. This foundation is excellent for HD TV stage, screen and runways.

Feature Film Foundation

The ultimate water-based liquid foundation! Excellent for all skin types. Feature Film Foundation is outstanding in providing a gentle, smooth and uniform appearance while providing extra coverage to the face.

Final Act Translucent Powder

Translucent Loose Powder is used as a finishing touch to any makeup application. This high-performance sheer powder diffuses imperfections and absorbs oil for a smooth, matte finish. Add shimmer and sparkle to any look with the Iridescent shade collection. Dust all over face and body for subtle illuminating shine.

Camera Ready Face

An absolute must-have! This highlighter will erase the appearance of darkness and shadows making your skin bright and radiant. Use alone or mix into your foundation to create a beautiful, glowing look.

Balance Stick

Coverstick and Skin Tone Balance Sticks are used to conceal dark circles, hide lines, skin imperfections, freckles, flaws and will cover blemishes as well. The formula is creamy, long lasting and blends easily into all skin types.

Coverstick

Pressed Face Powder

The lightweight pressed face powder absorbs shine, keeping your makeup fresh and natural looking all day. The long-lasting, super-sheer powder sets and perfects color to create a smooth, flawless finish.

Skin Toner Balancer

This product works to counteract flaws and even out the skin color. Apply after moisturizer and before foundation. Mint neutralizes redness, Alabaster covers dark circles on warm skin tones, Lavender gives a yellowish complexion a healthy glow and covers shallowness: Yellow is used to conceal bluish bruises, under-eye circles and mild red tones on the face.

Sparkle Plenty

Sparkle Plenty Line & Design is a clear gel intermeshed with fine bits of glitter. The moisturizing gel base goes on wet but dries to a long lasting gleam. The special tip applicator makes it easy to line and design on face and body. Sparkle Plenty Line & Design is made with a very high concentration of glitter which gives great coverage. Sparkle Plenty Line & Design adds drama and glitz any look.

Glorious Glow™

A lightweight bronzing gel for all over body coverage. Glorious Glow gives skin a beautiful, even natural looking glow. Create the look of a beautiful suntan without the damaging effects of the harsh sun. The formula contains a hydrating skin-smoothing blend of Lemongrass, Ginseng, Chamomile, Comfrey, Cucumber, Aloe Vera gel, and Japanese Green Tea extracts.

First Performance™

Put small drops of this luxurious fluid under eyes, entire face and smooth over face prior to applying foundation. First Performance decreases the look of fine lines, enlarged pores and prepares face for a flawless finish. This silicone-based formula will increase the wear and longevity of your foundation.

Freeze Frame FACE™

A makeup fixative originally created solely for professional use. Actors use this products as a sealing agent to set all powder, special effects and fantasy makeup.
